

MINUTE ORDER. In view of 98 Defendants' response to the November 3, 2020 Court order, the Court understands that "'all clears' [or facility sweeps] and successful certifications were conducted at all processing plants this morning by 10 am local time" pursuant to this Court's previous orders. The Court further understands that Postal Inspectors are/will be on site at each processing plant between 4:00 PM and 8:00 PM local time today to conduct the "daily review process" designed "to ensure compliance at the critical period before the polls close." The Court understands "compliance" to mean that the Inspectors will at that time identify and refer Election Mail in staging and non-staging areas to facility managers to resolve as expeditiously as possible. Given the timing, the Court is inclined to let this process continue. Accordingly, the Court DENIES 100 Plaintiffs' request for an immediate status conference. Defendants shall be prepared to discuss the apparent lack of compliance with the Court's order at the status conference scheduled for 12:00 PM on November 4, 2020. Signed by Judge Emmet G. Sullivan on 11/3/2020. (lcegs3) (Entered: 11/03/2020)
